Kansas 4-H Horse Standard of Excellence

ACHIEVEMENT LEVEL IV

General

The Kansas 4-H Horse Standard of Excellence consists of four achievement levels (I, II, III, IV), each of which contains three sections: knowledge, leadership, and horsemanship skill attainment. Once participants successfully pass the required sections, they will receive certification of achievements and be granted the right to advance to the next level. Participants that fail either the written exam, or skill test, can retake the exam at any time.

Level IV members will be given an oral knowledge exam at the time they take their horsemanship skill test. The skill examiner will ask five (5) questions from information, which will be taken from the Level III Kansas 4-H Standard of Excellence study manual; there is not a Level IV study manual. Horseless Horse members cannot be considered for certification at this level.

Horse Project members must pass the leadership requirements prior to taking the oral exam and skills test. Members must have a Level III completion certificate before scheduling the Level IV oral exam and skill test.

A **Horse Project Member** will be defined as a member who wishes to be eligible to fully participate in the project, including all classes at the district and state level. A **Horseless Horse Project Member** is not eligible for Level IV.

District and State Contests and Show Participation

Senior (ages 14 to 18) youth who wish to participate in the District and/or State horse show must complete all three sections of Achievement Level II prior to the entry deadline for their District show. Showmanship and Halter class participants must pass the first two sections of Achievement Level II, plus the Groundwork portion of the Level I skill test prior to their District qualifying 4-H Horse Show entry deadline. Senior youth who wish to participate in the 2-year-old snaffle bit futurity and the 3-year-old futurity projects must be Achievement Level II certified prior to the May 1 nomination deadline.

Participants who wish to participate in the Level IV Horsemanship class at the State Fair must be Achievement Level IV certified prior to the entry deadline for the Kansas State Fair 4-H Horse Show.

Expectations/Goals

Achievement Level IV participants are expected to have a basic understanding of horses in terms of equine reproductive physiology and management, nutritional management, and horse judging. Level IV members are expected to participate in educational and leadership activities. Horse project participants enrolling in the skill level section will be expected to be able to describe and illustrate the use of different training aids, perform patterns containing intermediate maneuvers while maintaining control and collection throughout the pattern.

Procedures

The process for completion of Achievement Level IV requirements are as follows:

1. Use subject matter worksheets from Level III to prepare for the Achievement Level IV oral exam.
2. Complete Leadership requirements found in Section II.
3. Fill out the Application from the front page, including required signatures and return with \$10 exam fee to State 4-H Office, 201 Umberger Hall, Manhattan, KS 66506-3404. Make checks payable to Kansas 4-H Foundation.
4. Upon receiving completed Application and fee, the state 4-H office will send a letter of receipt that you must show to your skill test examiner at the time of your oral and horsemanship exam.
5. To schedule a Level IV skill test, contact the Extension Assistant Youth Coordinator, Animal Sciences, 256 Weber Hall, Manhattan, KS 66506. (785-532-1264)
6. The skill examiner will score your oral and horsemanship exam and send it to the State 4-H Office. After successfully completing the oral and skill test, the participant will be sent a certificate indicating completion of Level IV.
