A few changes:

**Purchased style revue judge will be judging both style revue and as purchased clothing for the one outfit** at the same time so only the purchased outfits not modeled will need to be judged as allotted above. 4-Hers will get two ribbons for this year. This is in an effort to streamline more towards the state fair rules.

**An overall Grand Champion and Reserve Grand Champion will not be awarded in Style Revue or constructed clothing.** This is due to feedback received. I will need to know that night from the Senior Division Style Revue Champion and Reserve Champion if they wish to compete at the State Fair Style Revue Saturday, September 17, 2016. 4-Hers will receive an envelope as they exit the sanctuary with their score sheets and ribbons.
The 4-H Store no longer makes the clothing labels. Please cut and tack in a 3” by 2 ½” piece of cloth on the back on neck or at waistband. Write or type the following: Class number, County and Name. Sharpie and white or cream cotton type fabric work pretty well. This is only for constructed items.

Other items:

Check in will be with Micki Watson, Superintendent. We will have a table marked.

Please be early to your judging slots. These are time guesses in many ways and the schedule is tight. Often we run ahead so I want to keep the judging moving.

The Style Revue theme is Lights, Camera, Fashion! Please try to e-mail me your scripts by July 24th at renaer@ksu.edu. I will reply that I received them. If you cannot, please bring a printed copy to the judging. Be sure your name, club and how many years in the project and/or 4-H are mentioned. You may want to put in your parent’s name too. Talk about where you might wear it, maybe a neat story about the process and what it is made of. Put a catchy sentence at the end so it will be easy for you to remember as that is your cue to exit the stage.

4-Hers are welcome to practice on the stage any time during the afternoon and would like to have a rehearsal around 5:30 if you can be there. Practice with the shoes you are going to wear that night. Practice with your script at home. There will be three “turning points” on the stage to help guide you.

Be sure to know how to care for your garments, cost per wear of the whole outfit and how it fits into your wardrobe. I have attached a cost per wear sheet just for your use.

Reference the score sheets on the Marion KSU website for pointers. We will use the state fair score sheet for style revue which is attached.

Remember, we are in a church, please be respectful with your words and actions!

If I have made mistakes in the schedule or you don’t see your name where it should be or do see it where it shouldn’t be, please let me know as soon as possible.

I know there are a lot of changes...I appreciate you giving it your best. Feedback on what you liked and didn’t would be appreciated.

Spread the word to everyone you know to join us at the public style revue!

See you soon! Renae
