Safety is the theme for May. Six residents learned about first aid, CPR, poison and choking hazards in a collaborative event with local EMS, Safe Kids and our office. Twelve senior citizens learned balance exercises to reduce falls, improving personal safety. Agent attended a food safety training. Information gained will be shared with several different audiences in the future.

Pictured is Ethan Dailey. Ethan was the state winner for the Visual Arts Project. He was selected not only because of his outstanding project work but also his exemplary community service and leadership.

Marion County has 180 youth and over 80 registered volunteers representing 6 community clubs for 2015.

Marion County Extension has a Wheat Variety Demonstration Plot. 20 different varieties were planted for 2015. In the spring, a wheat tour was held to allow the public to come and learn the details of each variety. For 2015, approximately 60 producers attended the annual wheat tour.
