June 10, 2020

During Celebrate Agriculture Day, K-State will honor Willie's Farm Families! K-State Research and Extension is partnering with K-State Athletics to select one family to represent each of the state's 105 counties. Each selected farm family will receive two complimentary tickets to the game with the opportunity to purchase additional discounted tickets and be recognized with all county representatives during the game.

For a chance to represent Marion County, submit a nomination form to the Marion County Extension Office or complete it online. Find the nomination form at marion.ksu.edu. Marion County Extension will accept nominations through 5:00 PM on Friday, June 26, 2020.

Families are eligible if they are a full time or part time agricultural producer in the Marion County. Production agriculture must play a significant role in the family's lifestyle and annual income earning. Hobby agriculturalists are not eligible. Eligible families must have current permanent residence in Marion County. Individuals can nominate their own family, or nominate another deserving family.

Through a lottery drawing from submitted nominations, we will announce Willie's Farm Family representing Marion County on the Marion County Extension Facebook page and Webpage on Tuesday, June 30, 2020. Selected families will also be notified by our team.
