Space Tech Project Revision

The Kansas 4-H Office has revised the Space Tech Project by renaming it to STEM. This If you wish to exhibit at the County or State Fair in the areas below, please check your projects in 4-H Online to ensure you are in the correct project by May 1st.

NOTE: If you wish to display Legos at the County Fair you will need to enter in the STEM Project!

The new STEM Project will include:

- Ag Mechanics (NEW)
- Architectural Block Const. (Legos-RULE CHANGES)
- Astronomy
- Computers
- Robotics
- Rocketry
- Unmanned Aerial Systems

State Fair Rules (Pg 32-47): STEM Project

4-H Visual Art Changes

The Kansas 4-H Office has published the Visual Arts rules for the 2021 State Fair.

This year, all visual arts exhibits will be judged competitively at the State Fair. Projects exhibited must be an original design created by the exhibitor. Please see page 51 of the Kansas State Fair Book for a detailed description of copyright.

In addition, there will be five classes to enter in at the Fair under Visual Arts including:

- Fine Arts
- Clay and Ceramics
- Leather and Jewelry
- Three-Dimensional
- General Crafts

State Fair Rules (Pg 32-47): Visual Arts

2021 COVID Protocols

The Chisholm Trail Extension District operates under K-State Research and Extension who follows Kansas State University Policies. At this time, we expect COVID-19 Protocols to be in place. I.E. Masks required, social distancing, hand washing, sanitizing.

*See Club Meeting Guidelines.

Additional State Fair Changes

Static Entries: This year there will be no state fair premiums for the static 4-H entries. Instead, all exhibitors will be eligible for two admission tickets when they submit an entry.
